

**Do you think God is calling you to do more for Him?
Are you thinking about helping others and your church?
Is it possible God has given you gifts of leadership?**

Let Open Bible Church's Leadership Academy help. This special online training program is for anyone age 16 or older who wants to discover, develop and sharpen the leadership skills God has given them.

Leadership Academy has two options available this year. Track I covers general leadership skills useful both inside and outside your church. You'll explore the concept of servant leadership, traits great leaders have in common, the temptations that come with assuming a leadership role and much more. Track II is geared toward people in or thinking about entering a ministry role. Topics covered in Track II include ministering to couples, the challenges of ministering to veterans, the impacts innovation and rapid cultural changes can have on ministry and more.

Hurry. Online classes begin August 25th! For more information and enrollment forms go online and visit www.openbiblemountainplains.org or call 406-927-6809.
